FEED DESIGN LAB
HUNGRY FOR KNOWLEDGE

KEMIN

## Dear partners of Feed Design Lab,

As previously announced via save the date, we hereby invite you for a company excursion to Kemin in Herentals (Toekomstlaan 42, Belgium) on Wednesday, October 14, 2026.

*Kemin is a family-owned company, founded in 1961, active globally in more than 120 countries and anchored in EMEA with its local headquarters in Herentals (Belgium). The company develops and produces over 500 specialized ingredients, with a strong focus on the animal feed sector.*
*Kemin's solutions support nutritionists and feed producers in improving feed quality, animal health, and technical performance — including through targeted applications of fermentation and encapsulation technology to make nutrients available more efficiently. Science is central to Kemin's operations, from fundamental research to practical applications at the enterprise level. At the same time, there is a strong commitment to sustainability, with concrete targets regarding $CO_2$ reduction and product life cycle analysis. With the mission to sustainably improve the quality of life for 80% of the world's population, Kemin contributes to a more efficient and sustainable food system*

The program is as follows:
12:00 - 12:45 Lunch
12:45 - 13:00 Group picture
13:00 - 13:10 Welcome
13:10 - 13:40 This is Kemin
13:40 - 14:00 Prep and departure for site tour
14:00 - 16:00 Site tour in groups of 10:

- 1. Customer Lab Services
- 2. Kemin Application Services
- 3. Production
- 4. Warehouse

If you are interested in this excursion, please fill in the registration form via this link:
**Before October 6, 2026 !**

Please make your way to Kemin by own transport.

Practical information:
You can park behind/next to building 3 (B3) and building 5 (B5) in the designated parking spaces. See the red zones on the map below. This number is displayed prominently on the buildings.

You can check in at building 4 (B4) (yellow dot), where lunch will be served and which is also the meeting point for the tour.

We hope to welcome you during this inspiring day!
