

INVITATION

10 years Feed Design Lab

FRIDAY, JUNE 14

In 2014, Feed Design Lab opened its doors with a mission to be the practical research and education center for innovation and sustainability in the animal feed industry.

Over the past 10 years, we have grown into a well-known institute featuring a modern pilot plant, training programs, and an active network of 110 partner companies. We cordially invite you to join us on June 14th to celebrate our 10th anniversary with a festive networking event!

Trudy van Megen,
director Feed Design Lab

***The morning program and lunch is exclusively for partners of Feed Design Lab.**
